100% iwc aquatimer automatic chronograph watch ref. iw376903. This is a very nice watch with a white dial and a black leather strap. The watch is in excellent condition and is a great addition to any collection. The price is very reasonable for the quality of the watch. I would highly recommend this watch to anyone looking for a reliable and stylish timepiece. The watch is a perfect example of the quality and craftsmanship that IWC is known for. The automatic movement is a great feature and the chronograph function is very useful. The watch is a true classic and will last for many years to come.
